

Rollabout Chairs

CF200

The CAREFOAM Rollabout is the chair of choice for a variety of residents. Try this chair for any client who presents a difficult seating challenge – those for whom you have been unable to find a chair that works. The exclusive “sling-back” design accommodates the physical changes of aging while providing lumbar support and thoracic stability. The anti-thrust seat effectively prevents sliding out of the chair. The infinitely adjustable leg rest is ideal for residents with contractures, or for those needing maximum lower limb elevation. The chair’s foam construction eliminates hard edges in the seating area, improving patient safety. The seating area is lined with pressure-reducing “memory foam”.

CF200

(with Australian Lambswool Cover)

- >> Genuine Australian lambswool comfort covers (machine washable) offer superior skin care and comfort.
- >> Optional Alpine Fleece covers are available.
- >> Crypton® upholstery fabric (two pattern choices) is water repellent, stain resistant, and antibacterial.
- >> Carefoam covers are treated with Ultra-Fresh® for antibacterial and freshness protection.
- >> Incontinence-proof seat insert is antibacterial SoffTICK® with welded seams.
- >> 5” locking casters (one steering lock caster) ensure easy maneuverability - a caregiver’s delight.
- >> Fabric and foam meet fire retardancy requirements of the California Technical Bulletin 117.
- >> Limited Manufacturer’s Warranty - 3 years on all components except covers. Covers guaranteed free from defects upon delivery. Please follow care and laundering instructions.

Beige Alpine Fleece

Note: Because the leg rest extends forward of the front casters, the Rollabout is best suited for those clients who cannot or will not crawl out over the leg rest.

Important: NO CHAIR CAN TOTALLY PREVENT FALLS. CHAIR USERS SHOULD BE SUPERVISED AT ALL TIMES.
